Gender Female

**EDUCATION** Degree in Law - University of Roma "La Sapienza" 110/110 e lode year 1982  
Specialisation in Labour Law University of Roma "La Sapienza" 70/70 e lode year 1989

**WORK EXPERIENCE**

- **Dates (from - to)** 2001 to nowadays
- Name and address of the employer Institute of Research on Economic Sustainable Growth – IRCRES National Research Council - CNR (former Institute for research on firm and growth - CERIS transformed in 2015)  
Via dei Taurini 19, 00185 Rome Italy
- Type of business or sector Public research organisation
- Occupation or position held Senior researcher
- **Areas of interest, training, scientific/managerial responsibility at CERIS** Main areas of interest: Policies and policy instruments for the public sector of research; Science & Technology Indicators; Analysis of public project funding; Funding, Evaluation and Governance of the public sector of research, Human resources for science and technology: mobility and career.  
Disciplinary area: Social sciences-Political Sociology

**TRAINING**

Training in International Copyright Law, Summer course of the Institute for Information Law and the Eggens Institute for Post-Graduate Education of the University of Amsterdam, Amsterdam, 9-14 July 2001  
Training in political economy and management, CERIS CNR based teaching and seminars within the PhD Economy and Management of Technology (2005-2007).

**SCIENTIFIC/MANAGERIAL RESPONSIBILITIES**

- From January 2004 Scientific and Managerial Responsible of the CERIS Research Team "Institutions and Policies for the Public Sector of Research" at the CERIS CNR Unit of Rome. The Research Team involves 6 permanent researchers (4 seniors and 2 juniors), 1 PhD student, 1 research assistant, and 2 technicians.  
- From January 2005 Scientific and Administrative Responsible of the IRCRES Unit of Rome. The Unit involves 9 senior researchers 3 junior researchers, 2 PhD student, 2 research assistant, and 2 technicians, 4 associate researchers, plus the administrative staff.

- **Main activities and scientific responsibilities** She had the scientific responsibility of many national projects based on MIUR funding such as Strategic and Finalised Projects based at CNR. She also participated to many international projects as:  
ESTO (European Science and Technology Observatory - CE – DGXII),  
The European Project "European Comparison of Public Research Systems" (TSER Project Changing Structure, Organisation and Nature of European PSR Systems, IV EU FP),  
Responsible for Italy of the European Project EUROLABS-A Comparative Analysis of Public, Semi-Public and Recently Privatised Research Centres (V EU FP)

Co-responsible of the ERAWATCH Project on “Baseload inventory and intelligence service” (EC-IPTS).

Recent responsibilities include:

#### **SCIENTIFIC RESPONSIBILITY OF RESEARCH PROJECTS (from 2008)**

- Scientific Responsible for the Project ISTAT-CNR CERIS “Characterisation of the research activities of Non-for-profit organizations in Italy”, PSN-National Statistical Plan 2008-2010
- Scientific Responsible of the National Project on Functions and Organization of Science Museums in Italy, in collaboration with Fondazione IBM Italia, Ministry of Cultural Heritage, Ministry of Innovation, Ministry of University and Research
- Scientific responsible for the Research Unit of CNR CERIS in the EC contract on “Tools and Indicators for Community Research Evaluation and Monitoring” RTD-TOOLS, OJ: 2006/S 182-192847.
- Scientific responsible for the Research Unit of CNR CERIS in the National Project FIRB/Miur “Models and instruments for analysing the impact of the firms RTDI investment on the economic system”, from 2005 to 2009. The FIRB project involved 6 permanent CERIS researchers and required competences on economic policy.
- Scientific Responsible for Italy in the Project “European Observatory of Research-Active Universities and National Public Research Funding Agencies” European Commission ERAWATCH strategic intelligence service –operational phase, second tranche from 2008
- Co-Responsible for the National Country Report. Italy of the ERAWATCH EWN, 2008-2009
- Co-Responsible for the National Policy Mix Report. Italy of the ERAWATCH EWN, 2008-2009
- Scientific Responsible for the Italian Report on Contribution of Policies at the regional level to the ERA, ERAWATCH EWN, 2009
- Responsible for the National Country Report and Senior Policy Analyst in the METRIS Project – Monitoring of trends in humanities and social sciences, Coordinator Technopolis Group for EC/IPTS from 2009 to 2012
- Principal Investigator in the project EUROCORE ESF (European Science Foundation), Action EUROHESCH, on “Transforming Universities in Europe” TRUE (8 partners) with a project on: Analysis of the instruments for steering and governance of Universities (funding and evaluation) from 2009 to 2013.
- Principal Investigator for Italy in the Project “Du PRESTige à l’excellENCE. La fabrique de la qualité académique. Comparaisons entre disciplines, établissements, pays - PREST-ENCE” University MARNE LA VALLE’ of Paris funded by ANR (10 partners involved of which 4 non-French) from 2009 to 2013
- Scientific responsible for Italy in the Project European Observatory of Research-Active Universities and National Public Research Funding Agencies, ERAWATCH EWN
- Scientific Responsible of the Research Unit PRIN-MIUR: The transformation of the governance in Universities: funding and evaluation as instruments of change, MIUR Project of National Interest PRIN 2008 “Governance a valutazione dell’Università: politiche pubbliche e strumenti di management” coord. G. Reborà, Università LIUC Castellana from 2009 to 2013
- Coordinator of the European Commission Project JOREP- Investments in joint and open R&D programs and analysis of their economic impact, EC Tender on Investment of Joint Programmes 2009/S 158 229-748 (11 European partners involved, 7 people from CERIS involved in the Italian team), 2009-2013
- Co-Responsible for National Country Report and Research Inventory ERAWATCH EWN 2010-2012
- Co-Responsible for National Trend Chart Report on Italy ERAWATCH EWN 2011-2012
- Responsible for the National Country Report of the METRIS II Monitoring of trends in humanities and social sciences, ERAWATCH EWN 2011-2012
- Responsible for the National Inventory of ERALAW Project, ERAWATCH EWN, 2011
- Responsible of a Research Unit in the Project POCARIM-Mapping populations, careers, mobilities and impacts of advanced research degree graduates in the social sciences and humanities, EU FPVII, 2012-2014
- Responsible in the EUFPVII Evaluating the Impact and Outcomes of EU SSH

Research IMPACT-EV Project and Lead partner of WP 1, 2014-2017

- Member of the Governing Board and Lead of three Work Packages (Training, Opening of the JOREP infrastructure, Research on ERA programmes, Research on Public research organizations) in the EUFPVII RISIS-Research Infrastructures for research and Innovation Policy Project (coordination of 8 people from CERIS involved in the project), 2014-2017
- Member of the Local Scientific Committee of the EU Horizon 2020 SiS-RRI Science Innovation and Society: Achieving Responsible Research and Innovation Conference, Rome 19-21 November 2014 in charge of the Stocktaking Study
- Responsible for IRCRES CNR of the Task 5 in the EC Tender on “An analysis of the role and engagement of universities with regard to participation in Framework Programmes”, under the Framework Contract: 2012/s 144-240132

#### • **COORDINATION of RESEARCH PROJECTS**

- Team Leader and scientific responsible for CNR CERIS in the Network of Excellence PRIME “Policies for Research and Innovation in the Move towards the ERA” (co-ordinator: ARMINES). Member of the Executive Committee of PRIME Network of Excellence (2005-2009). CERIS was involved in 5 three-years research projects (Steering of Universities-SUN, Public project funding project-PPF, European data and indicator producers-EPIP, Observatory of European Universities-OEU, Data on Publications of European Universities) developed within PRIME, 3 summer schools and several workshops, from 2004-2009. The coordination of the PRIME team involved 7 permanent researchers, plus two temporary researchers, plus two PhD students.
- Coordinator of the European Commission Project JOREP- Investments in joint and open R&D programs and analysis of their economic impact, EC Tender on Investment of Joint Programmes 2009/S 158 229-748 (11 European partners involved, 7 people from CERIS involved in the Italian team), Budget 708.000 Euro 2009-2013
- Coordinator of the PREF Project, Analysis of national government funding-Institutional funding and project funding, EC Tender 2015/S Contract No. 154321 (4 European partners plus 5 subcontractors 7 people from IRCRES involved in the Italian team), Budget 398.000 Euro 2015-2017

#### • **TEACHING (from 2008)**

- Teacher at the PhD Course on: Instruments and methods for the evaluation of research, XIX Ciclo, University "G. D'Annunzio", Chieti, from the academic year 2003-2004 to the academic year 2009-2010;
- Teacher at the PhD Course on: Systems and methods for the evaluation of Education and Research, XXV ciclo, University of Genova, from the academic year 2009-2010
- Teacher of Institutions and research policies at Master Courses of Scuola Superiore di Pubblica Amministrazione and of University of Chieti, from 2004 to 2008
- Teacher at the PhD Course Research and Applied Social Sciences RAAS Sapienza University of Rome, from the academic year 2009-2010 to the academic year 2014-2015
- Teacher at the PhD Course Applied Social Sciences Sapienza University of Rome, from the academic year 2015-2016 ongoing
- Tutorship and co-tutorship of 11 PhD students (plus 1 on going)

#### • **MEMBERSHIP AND NETWORKS (from 2008)**

- Member of the Executive Committee of PRIME Network of Excellence (2005-2009).
- Member of the Faculty of the PhD course on Instruments and methods for the evaluation of research, XIX Cycle, University "G. D'Annunzio", Chieti, from the academic year 2003-2004 to the academic year 2009-2010
- Member of the Faculty of the PhD Course in Research and Applied Social Sciences RAAS Sapienza University of Rome, from the academic year 2012-2013 to the academic year 2014-2015
- Member of the Faculty of the PhD Course in Applied Social Sciences Sapienza University of Rome, from the academic year 2015-2016 ongoing
- Member of the Operative Structure of the Foundation for the Technological Innovation (COTEC - Italia) with a specific commitment on Policies and Institutions for Innovation, from 2005 to 2008

- Member of the Evaluation Unit of the University of Chieti, from 2002 to 2011
- Member of the Evaluation Unit of the University of Udine, from 2009 ongoing
- Member of the Evaluation Unit of the University of Siena, from 2010 to 2015
- Vice-President of the Italian Association for Evaluation (AIV) from 2009 to 2013
- Vice-President of the European Forum for Studies of Policies for Research and Innovation (EU-SPRI) from 2009 to 2016
- Member of the Board of the European Association of Indicators Designers (ENID) from 2008 to 2015
- Team leader for CERIS in the Lot 8 for the provision of specialized consultancy services in the areas of science and technology options assessment Lot. 8: Science, Technology and Innovation Policy IP/G/STOA/FWC/2013-001/LOT8/C1, European Parliament
- Team leader for CERIS in the Lot 2 for the provision of specialized consultancy services to the European Commission in the fields of research evaluation and research policy analysis OJ2010/S 172-262618
- Team leader for CERIS in the Framework Contract for the provision of specialized consultancy services in the to the European Commission in the field of research and innovation programmes and policies Ref. 2012/S 144-240132
- Member of the Board of the Consortium for Higher Education Research CHER (Kassel, DE) from 2014 ongoing

#### • EDITORIAL BOARDS

- Member of the Editorial Board of the Rassegna Italiana di Valutazione (Italian Journal on Evaluation), Franco Angeli, from 2013 ongoing
- Member of the Editorial board of Analysis, Rivista trimestrale di politica scientifica (Italian Journal of policy of science), ANPRI, from 2009 ongoing
- Member of the Editorial Correspondent Team of the European Journal of Education. Research, Development and Policy, Blackwell Publishing (ISI Journal), from 2009 ongoing
- Member of the Editorial Board of Research Evaluation, Oxford University Press (ISI Journal), from July 2015 ongoing
- Member of the Editorial Board of SIR-Social Impact Research Journal, Hipatia Press from January 2017 ongoing

#### • EXPERT INVOLVEMENT (from 2008)

- Expert for Research Evaluation for the National Committee for the Evaluation of Research CIVR of the Ministry of University and Research, in charge of the National Research Assessment Exercise, from 1998 to 2010
- Experts of the ESF MO Forum on “Indicators for the Evaluation of the Internationalisation of the Public Research Organisations”, from 2009 to 2012
- Expert of ANVUR-Agency for the Evaluation of University and Research for the TECO Project: Test on General Skills of Graduates of the Italian Universities, from 2013 to 2014
- Scientific Responsible of the ANVUR-CERIS-CNR Agreement for Research on the outcome of the VQR (Evaluation of the Quality of the Research) assessment exercise, from 2014 to 2015

#### • PEER REVIEW and ADVISORY BODIES

- Reviewer for the following ISI Journals: Research Evaluation, Science and Public Policy, Research Policy, European Journal of Evaluation, Higher Education, Minerva, Journal of Technology Transfer, Regulation and Governance, American Journal of Evaluation, Scientometrics, ongoing
- Member of the Advisory Board of the “ERA Monitoring Project” DG RTD-JRC from 2011-2013
- Member of the International Advisory Panel of the MERCI Project (Monitoring European Research Council Implementation of Excellence) led by the Institute for Research Information and Quality Assurance (IFQ) 2009
- Member of the IV Open Method of Coordination OMC Working group of CREST (Advisory Body of the Council and the European Commission) on: Mutual learning on approaches to improve the excellence of research in universities 2008-2009
- Member of the OECD Higher Education Stakeholders Forum on Enhancing Higher Education System Performance from 2016

- **CHAIR IN INTERNATIONAL CONFERENCES (from 2010)**

- STI ENID Conference 2011, Actors and Networks in European Science, Rome, 7-9 September 2011 - Conference Chair
- STI ENID Conference 2013, Translational Twists and Turns: Science as socio-economic endeavour, Berlin 4-6 September 2013 - Member of the Conference Scientific Committee
- EUSPRI Conference 2013, The Management of Innovation Policies: new forms of collaborations in policy design, implementation and evaluation, Madrid 10-12 April 2013 - Member of the Conference Scientific Committee
- ISSI International society of Scientometrics and Informetrics 14<sup>th</sup> Conference, Vienna 15-19 July 2013 - Member of the Conference Scientific Committee
- CHER Consortium of Higher Education Researcher Conference 2013, The roles of Higher Education and research in the fabric of society, Lausanne 9-11 September 2013 - Member of the Conference Scientific Committee
- STI ENID Conference 2014, Context Counts: Pathways to Master Big and Little Data, 3-5 September 2014 Leiden, The Netherlands - Member of the Conference Scientific Committee
- CHER Consortium of Higher Education Researcher Conference 2014, Universities in transition: shifting institutional and organizational boundaries, Rome 8-10 September 2014 - Conference Chair
- ISSI International society of Scientometrics and Informetrics 15<sup>th</sup> Conference, Bogazici Istanbul 29 June - 4 July 2015 - Member of the Conference Scientific Committee
- STI ENID Conference 2015, Lugano 2-4 September 2015, Chair of the Poster Session and on the Round Table of RRI indicators
- CHER Consortium of Higher Education Researcher Conference 2015, Lisbon 7-9 September 2015 - Member of the Conference Scientific Committee
- Eu-SPRI Conference 2016, Exploring New Avenues for Innovation and Research Policies, Lund 7-10 June 2016 - Member of the Conference Scientific Committee
- STI ENID Conference 2016, Peripheries, Frontiers and Beyond, Valencia 14-16 September 2016 - Member of the Conference Scientific Committee
- Eu-SPRI Conference 2017, The Future of STI policies, Vienna, 7-9 June 2017 - Member of the Conference Scientific Committee
- Chair of several sessions in international conferences on Higher Education and STI policies

SOCIAL SKILLS  
AND COMPETENCES

*Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example culture and sports), etc.*

[ Italian ]

**ENGLISH**

EXCELLENT

VERY GOOD

VERY GOOD

Intensive collaboration for research purposes with colleagues at national and international level

Intensive interaction with management for administrative fulfilments of the international projects

Skills and competences requested are: clarity, scientific rigour, capability for communication of data, information and scientific results, capability to make syntheses of complex matters, flexibility in collaboration with colleagues and in research groups interaction

ORGANISATIONAL SKILLS  
AND COMPETENCES

*Coordination and administration  
of people, projects and budgets;  
at work, in voluntary work (for  
example culture and sports) and  
at home, etc.*

Design, coordination, development and management of research projects

Transfer of Research results to final users

Coordination and tutorship of young researchers and doctoral students

Experience in managing a research unit of 25 persons

Teaching in doctoral courses

Scientific and technical advice on research policy and research evaluation (ministries and agency of evaluation)

Organization of international and national conferences, workshops, seminars, and events of public understanding of science
